When the Deep Purple falls over sleepy garden walls and the
stars begin to flicker in the sky, Through the mist of a mem-o-ry you wander back to me,
breath-ing my name with a sigh, In the still of the night once a-gain I hold you tight Tho' you're
gone, your love lives on when moonlight beams, And as long as my heart will beat. Lover, we'll always meet
here in my Deep Purple dreams. B.D.
