Director of Music Report
May 2024 Committee Meeting

Our ANZAC duties this year were considerably lighter as the RSL decided not to run services at a number of nursing homes and retirement villages, however the band performed their duties at

Carrington Hospital (15 players)

Dawn Service (25 players)

The Parade band also marched at the head of the Parade (which is now our permanent spot) with 25 players, our Drum Major and three banner bearers.

In addition to these full band duties representatives of the band have carried out bugle calls at a number of establishment and functions and 8 of us played a short service at RSL Life care Hospice at Thirlmere.

My thanks to all involved on this important occasion.

It is a priority that members let me know if they are attending, the Dawn service provided a perfect example where we set up for the registered numbers and then had to change the band set up as more arrived and find chairs etc at short notice, if you cant use the online system, please tell either myself or Jarrad in advance so we have space for you.

At this time of year, we have a number of members travelling and unfortunately several members on the sick list so encouraging attendance is also important.

I am working very closely with Heather Berman to start a Wollondilly Concert band. This band will corroborate with us by sharing players as we need them. But it provides a recruitment tool on the other side of Razorback and gives us good access to the new performing arts facilities currently being finished in Picton.

Our Concert is rapidly approaching so I hope we can work towards making it a fantastic event. Any previous members should be invited to attend to take part in our celebration and we need to start working out the logistics of tables chairs. Bump in and out etc.

Murray
