

Hi Murray,

Thank you for your time on the phone just earlier.

As discussed the Camden Civic Centre is hosting a Cultural Fusion program over the course of 6 months. Cultural Fusion will bring a multi-faceted cultural extravaganza to Camden!
To be held between September 2023 and February 2024, Camden Civic Centre and its surrounding grounds will come alive for one evening a month with live performance, inspiring art, bustling markets and soul-stirring music.

Our featured Cultural Arts Collective Group – ‘Worlds Collide’ will be performing throughout the program and would like to collaborate with local artists.

They have suggested horn or percussion and I’m sure the Community Band would have some very talented youth!

Here’s a clip of Worlds Collide <https://www.youtube.com/watch?v=XHGmp78y35s> for your review.

They’d send through tracks and there would be a practice at sound check. Let me know if this is something you would be interested in. Happy to take on your suggestions.

Please let me know if you have any questions at all.

With kind regards,

Michael Ligato
