Director of Music Report
July 2024 Committee Meeting

Our preparations for the State Contest are taking shape very well, the pieces we will be presenting are Exuberance, Stone Guest and Praise to our lord.. I hope to make this year a more relaxed preparation time.

June 29th Saw a small ensemble take part in the Mult- cultural children's festival at Leumeah both in the march and a short but well received concert later in the afternoon. For those unfamiliar with our playout folders, we do not rehearse each piece but they are all playable dependant upon the attending instrumentation, the audience, the time slot and the general vibe of the crowd, it is therefore not possible to list or announce what we are playing until we are on site.

Sunday the 30th saw the first concert of our sister band, the Wollondilly Concert Band, a number of our players attended to assist in what was a well performed and certainly well received concert. Several WCB players have indicated their intention to visit Camden and join in with us.

Many thanks to Gus for his on going struggles with our website which has been up and down over the last few weeks due to inefficiencies of our host. As a result, I have decided to keep the playlist from June up for another month to ensure that all members have access to their music.

Jarrad and I will be touring overseas at the end of September and early October, Heather Berman (conductor of Wollondilly) has agreed to fill in for me for that time.
