Camden Community Band
Director of Music Report June 2025

During the Month of May, The Concert band performed at the Macarthur Multi Cultural children's festival in Campbelltown and the Parade band marched at the Thirlmere festival of steam parade, Whilst both these events are for the community and well received by the community our band turn out was quite small, for concerts in particular, if we are to showcase our band well, we need to ensure that every section is adequately represented.

On June 1st, Jarrad and I represented the band at the memorial service for Dusty Miller. We travelled aboard the steam tug Waratah (Which Dusty helped restore) and scattered his ashes to the sea at Balls head.

Looking ahead, The Opera house is drawing near as is our Oscars Show, preparations for both are continuing satisfactorily.

Following the oscars, we will be plunging headlong into the state contest preparations and looking at several performance opportunities to share with other organisations for the latter part of the year. We will once again present a Christmas special at the PAC in Picton, this time on a Wednesday night Dec 17th.

Brenden is doing a great job with the youth band and already we have seen some new faces join us.

Murray Bishop
